Dear Sir,

I beg to leave to introduce myself as an applicant for a scholarship tenable at the V.J.T Institute, Bombay for the study of Technical chemistry.

I sent an application for the same to the Inspector General of Education on the 26th May 16. In an interview that I had with him on the 19th June 16, he was kind enough to tell me that my case would be considered favourably. With this hope I went to Bombay and secured a seat in the Institute after passing the entrance examinations. I have paid Rs 70 as the fees for the

first term; and I have spent Rs 70 more for my maintainance till the 7th of Aug.

I had appeared for the Intermediate examination last year and I am sorry that I did not get through. Of the four Mysoreans who have joined the Institute for the Study of Technical chemistry I am the only one, who has studied up to Intermediate.
